P.O. Box 1976 Castro Valley, CA 94546 HaywardAreaTravel@yahoo.com

Welcome to Dandelion Chocolate Factory & Cafe!

The Mission District of San Francisco got a little sweeter 10 years ago, when Dandelion moved in. They focus on making their chocolate bars with the most economically sourced sugar, cacao and cocoa beans.

All of the items they make are served in their Cafe, from their rich hot chocolate, to the scrumptious pastries and the on-site toasted smores. The factory will be in full swing as you take the tour, see the beans being roasted, the sugar being mixed in and the bars solidifying into indulgent treats.

Before you depart, enjoy a complimentary drink from the Cafe. Your lunch will be held at a local restaurant, to be determined at a different date.

This trip was made for Chocolate LOVERS.

Please Note: This tour requires walking/standing for up to 20-30 minutes at a time. We request that you wear closed toed shoes on the tour and you will have to wear a hairnet.
